A Special Welcome to "First-Timers"

To those of you who are attending your first FBICC convention, welcome! We look forward to meeting you and strongly encourage participation in the various events and seminars. As you'll discover, our convention is fun, informative, and fast-paced. You will come away with a greater knowledge of and appreciation for your flow blue and mulberry collections and make many new friends in the process.

After you have submitted your registration form, an FBICC member will contact you by phone or email to welcome you and answer any questions you may have about the convention activities. These veteran members are a great source of information and can help make your convention experience more enjoyable. You will be offered a sponsor for the weekend to introduce you to other members and the events. You may accept or decline a convention sponsor. However, should you prefer not to be contacted, please indicate below:

I prefer not to be contacted.

If you've just joined the FBICC this year, tell us how you heard about the club. Your feedback will help us reach other flow blue and mulberry collectors.
